

***The Rail Freight Service Review Panel  
Interim Report – Opportunity to comment***  
(Comments can be submitted to 08 November 2010)

The following is of interest to business and industry in  
Pontiac and Renfrew Counties

Transport Canada has released its ***Rail Freight Service Review Panel Interim Report***.

The ***Call Letter for Comments*** and report can be downloaded from the Transport Canada website. This is an excellent occasion for users and potential users of rail for freight to learn more about the process and comment accordingly.

The document presents an overview of rail-related logistics services. Issues, Solutions, Considerations, and Recommendations are well documented, and as a current or potential user of rail for your shipping or delivery requirements, the *Interim Report* is a sound read.

To access the ***Call Letter for Comments*** with links for the Interim Report and comment pages, please use the following link:
